Noindex Search Results

Prevent search results pages from getting indexed by search engines. Search results could be considered to be thin content and prone to duplicate content issues.

Noindex Subpages

Prevent all paginated pages from getting indexed by search engines.

Noindex Paginated Single Pages

Prevent paginated pages of single pages and posts to show up in the search results. This also applies for the Blog page.

Noindex Password Protected Pages

Prevent password protected pages & posts from getting indexed by search engines.
